in these letters to friends fans agents and other sci fi writers dick speculates on the visionary and archetypal material that intruded into

his novels in the latter part of his life which marked a turning point in his literary career

the letters of paul to timothy one of his favorite delegates often make for difficult reading in today s world they contain much that make modern readers uncomfortable and much that is controversial including pronouncements on the place of women in the church and on homosexuality as well as polemics against the so called false teachers they have also been of a source of questions within the scholarly community where the prevailing opinion since the nineteenth century is that someone else wrote the letters and signed paul s name in order to give them greater authority using the best of modern and ancient scholarship luke timothy johnson provides clear accessible commentary that will help lay readers navigate the letters and better understand their place within the context paul s teachings johnson s conclusion that they were indeed written by paul himself ensures that this volume like the other anchor bible commentaries will attract the attention of theologians and other scholars
